

Fees

Family Pass	\$695
Couples Pass	\$500
Single Pass	\$300

Ownership Bond:

All family members purchase a share in the club in the amount of \$650. This is an important requirement to ensure our financial stability. This means you pay it once, you enjoy the pool for years. Then, when you resign* & your spot is replaced, you get it back.

Application Fees:

Since couples and singles are not 'owners', you are not responsible to pay the ownership bond. Instead, you pay a one-time application fee as follows:

Couples: \$250

Singles: \$150

(see bylaws on website for procedure and forms)

Swim Hours

Dive into fun! The pool is open daily from 12:00-8:00. And select weekends until 9:00!

Hours vary—visit shpool.org for season hours.

* If you are not renewing your membership, you must notify the pool board, in writing, by April 15, 2017.

If we don't hear from you, your pool bond may be forfeited.

Welcome!

Dear Families,

Welcome to Somerset Hills Swim Club!

Summer is coming which means another fun-filled season at our pool.

Existing members: If you plan on joining our pool again this year (and I hope you do), welcome back!*

New members: Enclosed you will find information on what makes our pool unique! Take a look—I hope you decide to join!

Many exciting events are planned for this summer. Our social calendar is filled with fantastic events for the whole family! Also, we debuted our new patio and fire pit in 2016 which is a great addition to our pool!

Yet again, our swim team has proven to be one of the best around — and we are thrilled to welcome back our great coaches from last season!

In addition, it is my pleasure to welcome new board members: Janet Kessler will be Co-President with me, Laurie Newsome will lead our pool marketing and Karen Di Meo is the secretary.

I am so proud of the wonderful memories our families make every summer! I look forward to seeing your family poolside....

Enjoy!

Laura Hess

The Dolphins

The Dolphins are a swim team of 80+ swimmers in the New Jersey Swim & Dive Conference 'A League' with full range of abilities from those who are first-time swimmers to National level swimmers. In 2016, we ended the season 6-2 in our dual meets, and placed 3rd overall at Championships! In addition to that, we had a record setting number of personal bests, firsts, and team records.

We offer a wonderful opportunity for kids ages 5-18 to join a competitive swim team with plenty of fun, incentives, team building, and most importantly a life long (and life saving) skill – **SWIMMING!**
